# RADHA INTERNATIONAL ACADEMY

To be named as **Dr. Neeta Sharma Memorial Senior Secondary School**

*"Global Standards Indian Values"*

तत्कर्मयन्त्रबन्धायसाविद्यायाविमुक्तये । आयासायापरंकर्मविद्यऽन्याशिल्पनैपुणम् ॥

“That is action, which does not promote attachment; that is knowledge which liberates. All action is a mere effort/hardship; all other knowledge is merely another skill/craftsmanship.” (Vishṇu Puraṇa 1-19-41)

## About the School

Radha International Academy is a Senior Secondary School which was setup by famous Educationist Late Dr. Neeta Sharma, who believes in the philosophy of **SWAMI VIVEKANANDA** of "**awakening young mind and establishing right values for the society**", in the same direction, Radha International Academy emerged to guide young minds who are seeking to refine their wisdom and enhance their skills.

## School AIMS

Radha International Academy believes that people learn best in atmosphere of respect and caring. School must be vibrant learning centre where the young fertile minds are secure and free to explore the limits of their unlimited potentials. We believe that strong partnership and collaboration among students, parents, staff, management and community will strengthen education opportunities and develop a strong value system.

**"The best brains of the nation may be found on the last benches of the classroom" APJ Kalam.**

Late Dr. Neeta Sharma was the true practitioner Kalam's philosophy of education as well as the torch bearer for the youths of this remote area of western UP. At her age of just 28 years she chose to serve the society as a mission and subsequently she laid the foundation of RADHA INTERNATIONAL ACADEMY as center of quality education.

Late Dr. Neeta Sharma Ma'am herself was a teacher, who had the passion to teach, loved the students like her own children; had passion to do something more than only classroom teaching and she used to provide academic and emotional and financial support to the female students and their parents. Within a short span of time, her dream school RIA ready to facilitate the quality education in the lowest possible budget to every deserving student.

Her untimely demise, left thousands of parents in grief but the seeds of empowering through education sowed by her will always encourage us to continue her legacy with the same energy and enthusiasm. With the blessings of her true soul RIA has all its fame for quality education, and nurturing many lives with the same spirit and committed towards Nation building. It always strive to inculcate good moral values and character along with right knowledge by utilizing the most advanced teaching pedagogy. Therefore our teachers and students can stride forward and see the transformation of the country into an advanced nation within their lifetime

She was very influencing as she took teaching as vocation and set examples, framed our mindset and showed us how to be considerate to others, how to stand by the needy students, how to support them. For her extra ordinary contribution she received many academic excellence awards and become an influencing educationist at very young age

Great soul do not die because they leave a mark with their way and vision on people who keep looking up to them as inspiration same way our Founder Pricipal & Manager Late Dr. Neeta Sharma shower her blessings on us, from eternal abode.

**Late Dr. Neeta Sharma**

**Knowledge**

**Innovation**

**Education**

## From Secretary's Desk

Krishnakulam is a vision driven school committed to meet the educational needs of students. We understand educational needs as those encompassing physical, social, intellectual and emotional development. To achieve these aspirations we have developed a strong infrastructural base, comprehensive curriculum and a technology driven delivery mechanism. We recognize that there is a very strong connection between classroom learning and outdoor experiences, between parental role and that of the school and between earning for now and learning for life.

Our Motto "**Knowledge-Innovation-Education**" is a driving force to pitch our students and their thoughts and creativity against their counterparts in the different time-zones of the world. Preparing children for life calls for equipping them with finer values and academic competencies. Their success stories both validate and fuel our efforts. Our former President APJ Abdul Kalam exhorts us by asking, "Can we make an education system which will retain the smiles on the faces of our children throughout the period of their education?" We are committed to meet this challenge.

**Pawan Sharma "Indramani" Adv.**  
B.Com. (Hons.), MBA, M.Ed.,LLB, LLM

## Director's Desk

We at **Radha International Academy**, aim at fostering that type of education which can develop our students capability to maximize our composite culture, strengthen integrated India and peaceful world. The Management, Parents, Students and the Teaching Fraternity of our school are a team and complement each other's efforts. We understand that education is not just a process of giving knowledge for a high profiled job but a lifelong process which creates an understanding of moral and ethical values to guide and make our students morally upright citizens of the country.

Therefore, we try to create an atmosphere of reverence for education and a healthy environment where academics, sports and co-curricular facilities mould our students and motivate them to be the brightest and the best. In order to do this, the school works towards inculcating certain values in the students in order to enrich their mind and spirit and also to develop essential moral attributes like truthfulness, courtesy, generosity, compassion, justice, love and trustworthiness in them.

**Er. Deepak Kumar "Mukutmani" Adv.**  
CBSE Resource & Master Trainer  
B.Tech., MBA, LLB, LLM

माता शत्रुः पिता वैरी येन बालो न पाठितः । न शोभते सभामध्ये हंसमध्ये बको यथा ॥  
Parents who do not teach their child, are enemies of their own child,  
because like a heron in the midst of laughter, a man without learning  
does not adorn the gathering of scholars.

## From Principal's Desk

Radha International Academy follows the tradition of shaping young learners of today into global citizens with a heart for tomorrow. Our aim is to provide holistic education to our students. The practice of conceptual learning and emotional well-being builds a firm foundation and prepares our students for the challenges of life. The school is recognised for its dedication to academic rigour and for its rich activity programme in sports, arts and culture.

We adopt innovative methodologies that foster understanding and help students to reason out and develop critical thinking and a scientific temperament. We believe that it is only through exchange of ideas that students develop their personal and social values. We help students take ownership for the choices they make and assist them in achieving their personal goals. Extensive facilities are also provided for nurturing and honing their creative skills.

The school is a center of world class education, where every student matters. Our dedicated and qualified experts encourage the students to strive for academic excellence by providing them with opportunities to develop their potential to the full and guide them to appreciate core human values and cultural diversity.

Radha International Academy nestled in idyllic surroundings ensures that learning is a joyous experience. It is a matter of great pride and a privilege for me to be Head of School.

## OUR Vision

**To prepare for tomorrow by doing our best today and endeavour for high standards through the joint efforts of students, parents, teachers and staff members.**

## OUR Mission

**To provide all students with opportunities and guidance necessary to develop and demonstrate personal abilities and skills.**

# Radha International Academy

## Vision Statement

We recognize the imperative of imparting an educational experience that is world-class in every respect and which prepares children for global citizenship. We are a school with an Indian Mind, an Indian Heart and an Indian Soul; a school that celebrates the culture of excellence and is an embodiment of values. We believe that a curriculum of excellence with a global dimension is central to the education of children to face the challenges of the 21st century with confidence and strength of character.

## Mission Statement

The School's mission is to provide a learning environment that encourages children to bring out the best in themselves and enables their all-round development through the joy of learning, enduring values and the celebration of diversity.

## Our Values and Attributes

Which align with our guiding statements, are integral to creating a school culture and climate to realize our educational goal -

- Cleanliness • Compassion • Commitment • Determination • Honesty • Integrity
- Perseverance • Respect • Responsibility • Self-Discipline • Teamwork • Trust

## Pre-Primary Course

JOYFUL

GOALS 3Es

- Encouragement
- Environment
- Example of adults

## Primary Course

EMPOWERING

GOALS 3Cs

- Confidence
- Competency in the core subjects
- Caring and compassion

## Growing up, the RIA way

## Junior Course

INSPIRING

GOALS 4Es

- Expression
- Exposure
- Exchanges
- Events

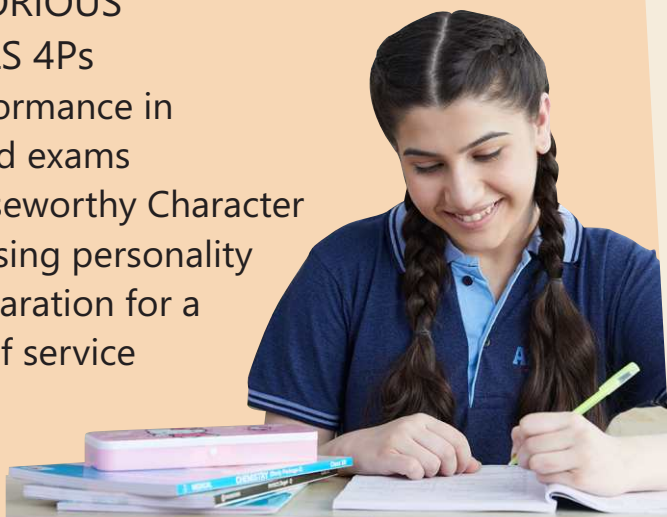

## Senior Course

VICTORIOUS

GOALS 4Ps

- Performance in board exams
- Praiseworthy Character
- Pleasing personality
- Preparation for a life of service

## RIA Student App

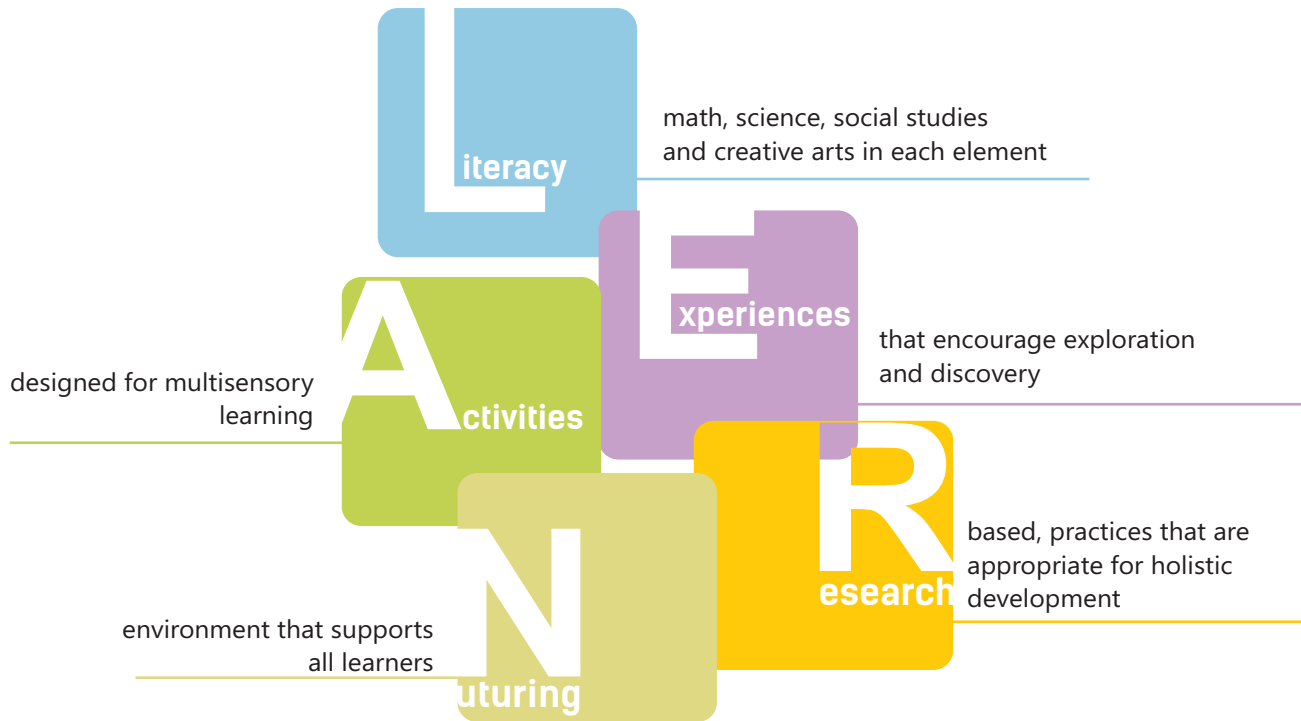

RIA Iglas is having Mobile App & portal which provides parents real-time information relating to their child including attendance, transport information, academic reports, timetables and direct communications from the school.

# Unique Curriculum Model

RIA Iglas is developing a unique curriculum model which is a blend of National Educational Policy, Experiential Learning, Art & Drama Integration, Artificial Intelligence, Games & Sports, ICT, Activities with few other new concepts which makes kids ready for next generation scenario. The uniqueness in providing the right blend of individuality, learning, vast exposure, freedom and discipline to the aspiring young minds is our hallmark. We consciously work on the following attributes:

- Building self-esteem
- Developing mental skills
- Logical Intelligence
- Bodily-Kinesthetic Intelligence
- Interpersonal Intelligence
- Building Creativity
- Fundamental Learning
- Spatial Intelligence
- Reflective Intelligence
- Naturalistic Intelligence
- Increasing Concentration
- Linguistic Intelligence
- Musical Intelligence
- Intrapersonal intelligence

A vibrant Music & Dance Room with a large piano keyboard mural on the ceiling, a yellow wall with a guitar and drums, and various musical instruments like a harmonium and tabla. The room is well-lit with ceiling fans and recessed lights.

## Music & Dance Room

“Dance is the hidden language of soul.”

Michele Jackson Studio provides you a platform for dance which provides an excellent environment for children of all ages for developing their skills, technique, confidence and expertise to maximize their enjoyment under the guidance of well qualified coaches and instructors. Students shall be able to learn and pursue traditional and international dance forms, contemporary acrobats, stretches, etc., and music studio with a view to promoting knowledge, study & practice of music. It have all traditional Indian instruments like harmonium, tabla, dholak, bansuri, tanpura, dhol as well as western instruments, etc.

## Library

RIA has a well-furnished Library consisting a wide range syllabus book, reference books, magazines, encyclopedias, journals, & much more for enrichments of student. Information and Communication Technology has revolutionized the concept of libraries. One of the biggest libraries in nearby area as per size and variety of books.

## Playground

A playground, playpark, or play area is a place specifically designed to enable children to play there. It is typically outdoors. While a playground is usually designed for children, some target other age groups or people with disabilities. A playground might exclude children below a certain age.

Our vast and spacious playground is a place where all student can enhance their physical capabilities and be fit and can explore the opportunities in the stream of sports.

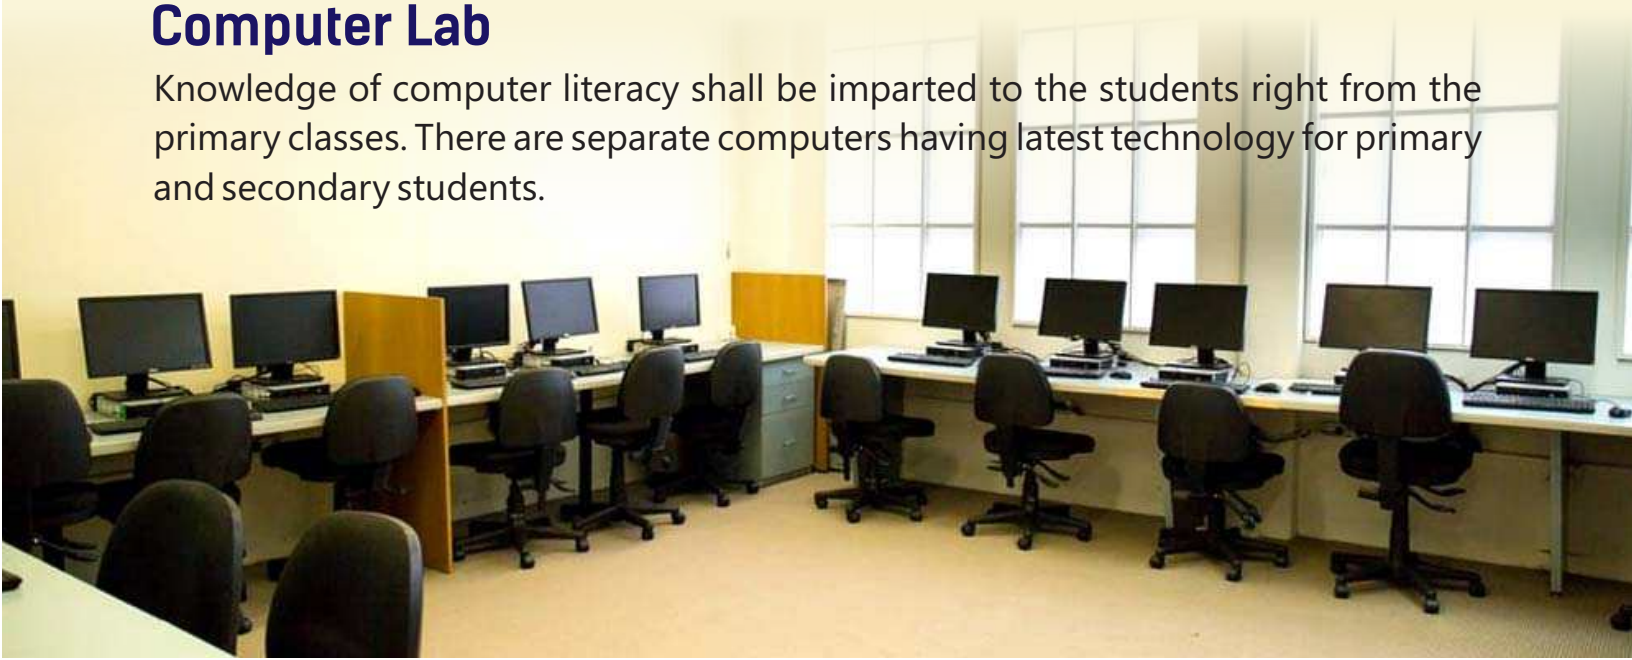

## Seminar Hall

Every student is blessed with unique texture and ability to become master of his own field. In RIA we implement interactive learning module which will boost self confidence of every student.

## Computer Lab

Knowledge of computer literacy shall be imparted to the students right from the primary classes. There are separate computers having latest technology for primary and secondary students.

## Art & Craft Room

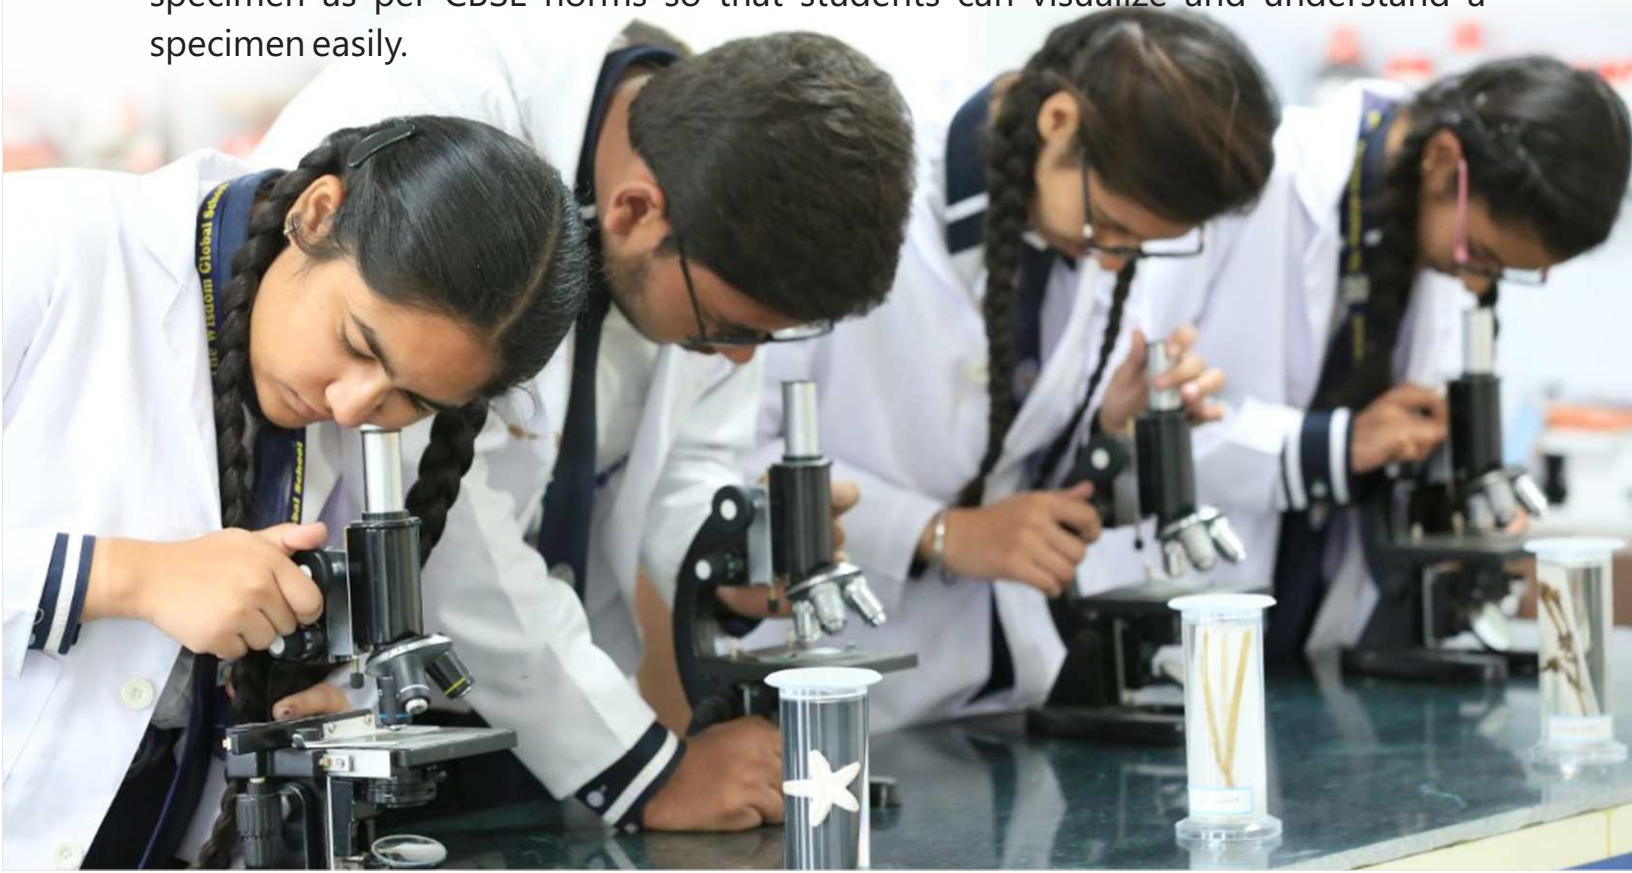

Art is one of the oldest and efficient tools of expression. It is place for experiment with creativity. The main use of this lab is to encourage the students to bring forth their innovative/creative power by various techniques.

## Maths Lab

Mathematical skills are the basic requirement of every person as they need to use them in everyday life, but at the same time, it is also true that most of the students have a fear factor towards mathematics. RIA is having a Math lab which is fully equipped with all kits, tools & gadgets. It facilitate students to understand basics of mathematics with ease. It reduce their fear & enhance their quantitative reasoning and sharpen their analytical abilities.

## Biology Lab

The study of Biology provides students with opportunities to develop an understanding of our living world. Knowledge is based on experimental results and accurate observations, which are gained by variety of experiences. Thus, role of laboratory and filed learning becomes a key component in understanding biology. RIA's lab is well equipped with highly advanced microscopes 3D models along with HD graphics, for better results. Varieties of permanent slides are easily accessible to children. Moreover beautifully painted and well labeled diagrammatic representations of various specimens are present along with virtual images of specimen as per CBSE norms so that students can visualize and understand a specimen easily.

## Physics Lab

To study and understand the dynamic of subject, practical knowledge of the different phenomena is as important as the theoretical knowledge.

Keeping this in mind, we maintain one of the most well equipped Physics Lab which is a hub of modern scientific facilities, combined with the expertise and knowledge of our staff.

Following the CBSE Curriculum, our lab provides the perfect environment to conduct all of experiments in all the domains. It has a provision of large number of experimental setups on different varieties of fields of Physics.

## Chemistry Lab

RIA has a spacious and very well ventilated Chemistry Lab. It can accommodate ample amount of students at a time for performing the practical. Our lab is well equipped with analytical balances and electronic balances required for performing experiments and project work.

The work space is in the form of slabs with their individual connection of burner, sinks with taps, individual chemical and reagent racks. List of experiments along with working instructions/ precautions are well placed in the lab along the models, HD graphics and many other things too.

## Empowering Youth

### Rani Laxmi Bai Guide Company & Shivaji Scouts

RIA is registered school with scout & guides at primary, secondary & senior secondary level. It helps in building confidence & self esteem among the students. They learn important life-skills, team building, outdoor adventure, education and fun.

### NCC (National Cadet Corps)

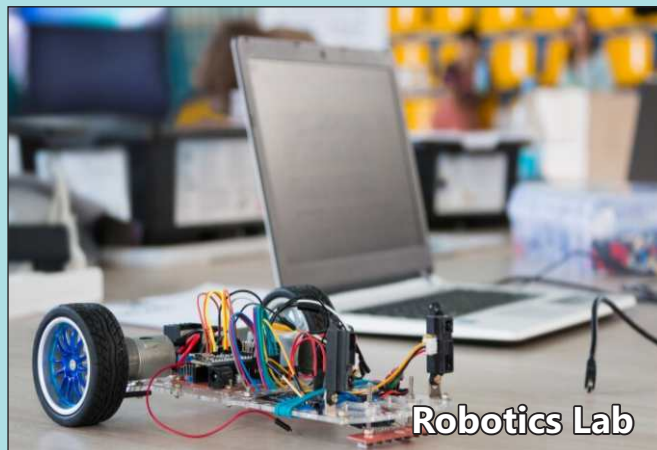

RIA applied for NCC collaboration. It is a tri-service organisation comprising the Army, Navy and Air-Force, engaged in grooming of the county into disciplines and patriotic citizens. The cadets are given basic military training in small arms and parades.

## Upcoming Lab Artificial Intelligence Labs

RIA is going to have first AI lab in the region, RIA is having Microsoft & IBM trained faculty for AI in collaboration with CBSE.

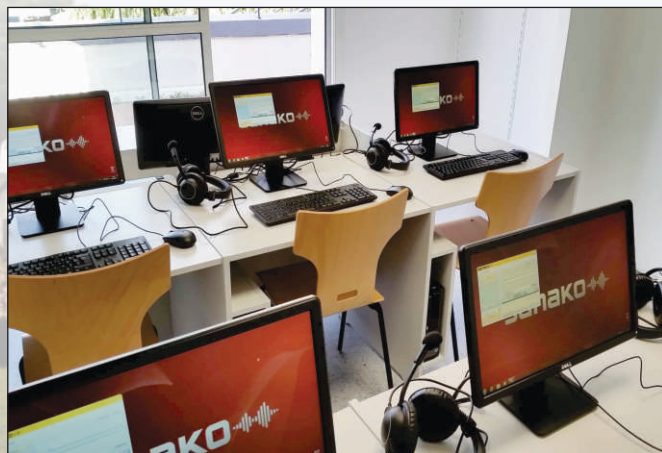

### Robotics Lab

RIA is going to establish Robotics/STEM lab in upcoming session which will be integrated with mechanical tools with latest electronics gadgets required for designing in implementing robotics system. It comprises a variety of processes, motors, controllers & sensors, which will provide experiential learning through handsome & fun filled activities.

### Language Lab

RIA is going to setup language lab in with latest technology. The main aim is to teach the exact & correct pronunciation of the words of English, Hindi, Sanskrit, French\*, German\*.

### Social Science Lab

It will consist of models, globes, tools & equipments combined with classwise manuals, maps & lab video relates to History, Geography & Civics topics.
